

This email provides you with all the information you require to complete your paper and submit it for inclusion in the proceedings. Here are the steps you must follow:

1. Please see the reviewers' comments attached below, which are intended to help you to improve your paper for final publication. The listed comments should be addressed, as acceptance is conditional on appropriate response to the requirements and comments.

2. Please see the IEEE author kit from the link given below, for the detailed information concerning the formatting of the final manuscript for inclusion in the proceedings (Same for ICEUTE 2011 and NWESP 2011).

<http://www.mirlabs.org/nwesp11/index.php-c=main&a=show&id=6.htm>

3. In order for your paper to be published in the conference proceedings, a signed IEEE Copyright Form must be submitted for each paper. Prepare your manuscript for final camera ready submission. Follow carefully and completely all the instructions given in the author kit link and upload the camera ready paper (source files + PDF) copyright form and registration receipt (as a zipped archive) using the your VIC author account.

<http://gicap.ubu.es/iceute2011/main/submission.shtml>

All papers submitted through the web site are considered to be in final form and ready for publication.

Do not submit your paper until you are ready. A good suggestion is to have a few colleagues review your paper to provide final remarks on its suitability before submitting it through the web site. Following are the limits for papers.

Regular papers: 6 pages. Up to 2 extra pages may be purchased at 100 Euros/page. If you have any problems to access the author kit or to clarify any doubts, please email:

[escorchado@usal.es](mailto:escorchado@usal.es);

-----  
Deadline for camera ready paper papers: August 25, 2011  
-----

4. An accepted paper will be published in the proceedings only if the final version is accompanied by the registration and payment information for at least one of the authors. Online Registration information is possible through the following link:

<http://gicap.ubu.es/iceute2011/main/registration.shtml>

At least one author must attend the conference to present his/her papers. If an author has more than one accepted paper, he/she must pay the full registration fee plus extra paper charges. ICEUTE 2011 registration fee includes the IEEE conference proceedings, admission to technical sessions, coffee breaks, lunches, and banquet.

-----  
Registration deadline: August 25, 2011  
-----

Be sure to register by August 25, 2011 to ensure that your paper is included in the proceedings.

Registering late may mean that your paper may not appear in the proceedings. If you have any questions, regarding registration, please email: [escorchado@usal.es](mailto:escorchado@usal.es)

5. Accommodation hotels are given on the conference web site:

<http://gicap.ubu.es/iceute2011/main/accomodation.shtml>

If you'd like to stay at one of these hotels please make your reservation as early as possible.

6. For traveling to attend ICEUTE 2011, please allow extra time for travel planning, getting Visa etc.

Attendees visiting Spain should be particularly aware and careful about Visa requirements, and should plan travel well in advance. Local organizers will assist attendees of ICEUTE 2011 in this matter. If you need an invitation letter, please send an email (after registration) to Professor Emilio Corchado -> [escorchado@usal.es](mailto:escorchado@usal.es), in which you indicate your:

Paper details, full name, full address, passport number, and nationality. Please note that it may take several days for a visa memo to be sent out after it is requested. Please plan accordingly.

Thank you for participating in what promises to be an excellent meeting. Looking forward to seeing you soon in Salamanca, Spain during ICEUTE 2011.

Sincerely,

Program Chairs

- Corchado, Emilio - University of Salamanca (Chair)
- Baruque, Bruno - University of Burgos (Chair)
